S I R :

Submitted herewith are replacement sheets of drawings, three sheets, Figs. 1-3, which should replace the corresponding sheets presently on file. The new sheets of formal drawings are respectfully submitted to overcome the objection set forth in the PTO-948 attached to Paper No. 5.

The new formal drawings submitted herewith are identical to the original formal drawings, except that in Fig. 3, in box 203, the spelling of "CONVERTER" has been corrected, as indicated in red on the attached copy of original Fig. 3. This is consistent with the usage in the present specification at, for example, page 13, line 15 of the present specification. Approval and entry of the replacement drawings is respectfully requested.
